

Details of Red Hat Internship + PPO for 2026 batch 16 Sept 2025

Looking for internship hiring process for the Pune location.

We look forward to continuing our collaboration and welcoming talented students from VIT/ VIIT.

It's a great pleasure to collaborate with you on the intern hiring program. The students' profiles are well received. Thanks a lot for your support! My colleague, Erica, and I will be leading the **hiring process for Pune** and will work closely with you.

For your reference, here are the key checkpoints for the program:

- **Hiring Process Initiation: Starting from the September 22 week**, we will invite shortlisted students for an initial screening call.
- **Offering:** We anticipate extending offers around the end of November.
- **Onboarding: Scheduled for January 5**. Please confirm the students' availability for this date.

The monthly stipend is 30,000 INR.

We will provide you with regular progress updates through a separate mailing list.

Thank you for your partnership.

Thanks,

Grace
