---

Dear All,

We would like to thank you for your continued support and partnership to JPMorgan Chase & Co.

As discussed, we are pleased to invite your students to apply for our 2025 hiring season and the registration process for JPMorgan Chase & Co's annual flagship event '**Code For Good**' (CFG) is now open.

You are requested to share the below registration details and attached JD with eligible students at your represented institute and ask them to submit their formal application for the Software Engineer Program (SEP) on our Careers page.

**Please Note:** Code For Good event is the only way by which the students can apply for the Software Engineer Program (SEP) at JPMorgan Chase & Co (JPMC). Hence, we request you to urge all eligible students to register themselves for Code For Good before the application deadline.

## **Eligibility Criteria for registration for the Software Engineer Program Internships:**

- **Degrees: B.Tech./B.E ONLY**
- **2026 Batch Pass-outs [eligible for Internship opportunity]**
- **Streams or Specializations: Computer Science/Information Science/ Information Technology**
- **Aggregate of 8.5 CGPA or 85% [till date] in engineering course with no active backlogs**
- **Education gap, if any, should not be more than 1 year**

## **Registration Links and application dates:**

**Category : Internship**

**Graduating Year : 2026**

**Course :** B.Tech/B.E

**Registration Link :** [Click Here](#)

**Application Open :** 26th March 2024

**Application Close :** 27th March 2024 (EOD)

**Selection Process:**

- Eligible students register themselves on the JPMorgan Chase careers page using the registration link provided above within the given timelines.
- Shortlisted students appear for an online coding test, more details to be shared at later stage.
- Shortlisted students appear for an online video interview.
- Final round participant student will be announced for Code For Good hackathon event.
- **Code For Good final event will be held in-person across our corporate offices in Mum/Blr/Hyd.**
- Any change to the above steps/process will be communicated in advance.

**Application: Important Points to Know:**
