

## **Registration Details of Infosys for Placement for 2026 & 2025 batch**

**Dear Professor Amol,**

**Greetings from Infosys! Hope you and your loved ones are doing well.**

**Infosys is a global leader in next-generation digital services and consulting. Our purpose is to amplify human potential and create the next opportunity for people, businesses, and communities. We enable more than 1,884 clients in more than 50 countries to navigate their digital transformation. We do it by enabling the enterprise with an AI-powered core, empowering the business with agile digital at scale, and our always-on learning agenda. Our team, of 3,28,000+ employees, makes this happen.**

**We are delighted to invite your esteemed institution to participate in the Infosys Off Campus Recruitment Program for Engineering Services for the Class of 2025 and 2026 on 8<sup>th</sup> February 2026. We are seeking enthusiastic students to join our organization as a Systems Engineer (Trainee), offering a compensation package of ₹3.6 LPA.**

**The Engineering Services at Infosys provides core engineering services and serves more than 300 clients across diverse industries, including communication, manufacturing, financial services, energy and utilities, real estate, retail and CPG, and life sciences. This unit plays a critical role in delivering cutting-edge engineering solutions globally**

**The evaluation process is designed to identify candidates who align with our AI-driven vision, assessing both technical and behavioral skills through interviews.**

**Batch- 2025 and 2026 graduates**

**Degree- BTech and MTech**

**Specialization- Mechanical, Aeronautical, Automobile, Production, Biomedical and allied branches only**

**Action Required:**

**Please share the attached Job Description document and below registration link with interested candidates from your college to apply for this opportunity before Tuesday, 27<sup>th</sup> January 2026.**

[Registration Link: Click Here](#)

**Critical Guidelines:**

- The communication is intended exclusively for your college. The registration link should only be shared with students from 2025 and 2026 batch from your institution.
- Personal email addresses only, as college domain email addresses will not be accepted for the recruitment process.
- Our system-driven protocols necessitate strict adherence to submission deadlines

For any questions or further information, please feel free to contact me. We look forward to establishing a meaningful and lasting partnership with your institution.

Best regards,

Medha Bahukhandi
